Sarthak Verma

Summary

Data Analyst with proven experience at EOXS pvt ltd, skilled in SQL, Python and statistical analysis. Implemented innovative data methodologies that improved forecasting accuracy and trend identification. Strong analytical thinking and problem-solving abilities contributed to data-driven decisions and enhanced customer satisfaction during an MBA internship.

Experience

Data Analyst - EOXS

04/2025 – Current

- Conducted data analysis to generate forecasts and uncover trends.
- Wrote SQL queries for efficient ETL processes and database management.
- Produced insightful reports by collecting, analyzing, and summarizing data.

Data Analyst Intern – Statskew

06/2023 – 08/2023

- Analyzed and tracked data to prepare forecasts and identify trends.
- Worked closely with management to prioritize business and information needs.
- Prepared detailed reports by collecting, analyzing, and summarizing information and trends.

Projects

❖ **Superstore Sales Forecast:** Forecasted next 15 days of sales with state-level accuracy using time series analysis in Power BI.

❖ **Pizza Sales Analysis:** Built ETL pipelines in BigQuery (SQL, DBT) and created Power BI dashboards to track trends and pizza demand.

❖ **E-commerce Sales Insights:** Used Python (Pandas, Matplotlib, Seaborn) to analyze sales drivers and customer behavior.

Certifications

- Career essentials in business analysis by Microsoft and LinkedIn.
- Learning data science and understanding the basics.

Activities And Honors

- State football player certificate
- Certificates in other sports activities
